DETAILED ACTION

1. As noted from the December 26, 2006 Interview Summary, the previous Final Rejection is withdrawn.
2. Applicant's January 5, 2007 Supplemental Amendment and REMARKS have been reviewed. Claims 1-14 and 28-32 remain withdrawn from consideration. Applicant's petition request is noted and will be addressed in due course.

DETAILED ACTION

Claim Rejections - 35 USC § 103

3. Claims 15-27 are rejected under 35 U.S.C. 103(a) as being unpatentable over Linden et al., US 6,360,254.

Linden discloses a system, e.g. Fig. 1, comprising a user 32 and a vendor, e.g. 30, and an Internet communication system, e.g. col. 5, lines 59-62, a real-time connection using a browser where an electronic transaction is performed, an order list including at least one item to be submitted/received to/by a vendor, making the list available to the user and enabling the user to review and approve the vendor received order list, e.g. cols. 4, 7, 8, 11. The order list may be modified/edited and parsed, e.g. cols. 6, 11. Official Notice is taken that a line-by-line approval/denial of purchase orders has been common knowledge in the purchasing art.

To have provided a a line-by-line approval/denial of purchase orders for Linden would have been obvious to one of ordinary skill in the art. The motivation for having

provided such would have been implementing common knowledge approval/denial processes with similarly situated parsing of orders disclosed by Linden.

4. A further pertinent reference of interest is noted on the attached PTO-892.
5. Applicant's Information Disclosure Statement (IDS) submitted January 9, 2007 has been reviewed. Noted attached PTO-1449.

Conclusion

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
